Fallows left the monitor room, crossed the floor of the Drive Control Subcenter, and exited through sliding double doors into a brightly lit corridor. An elevator took him up two levels to another corridor, and minutes later he was being shown into an office that opened onto one side of the Engineering Command Deck. Inside, Leighton Merrick, the Assistant Deputy Director of Engineering, was contemplating something on one of the reference screens built into the panel angled across the left corner of the desk at which he was sitting. The heart may heal slowly, but the mind is resilient and the body ever. Wellesley frowned over the suggestion for several seconds but eventually nodded. "I suppose you should, yes." The bewildering proliferation first of baryons and mesons, and later the quarks, which were supposed to simplify them, that had plagued studies of the structure of matter to the end of the twentieth century had been reduced to an orderly hierarchy of "generations" of particles. Each generation contained just eight particles: six quarks and two leptons. The first generation comprised the "up" and "down" quarks, each appearing in the three colorcharge variants peculiar to the strong nuclear force to give six in all; the electron; and the electron-type neutrino. The second generation was made up of the "strange" and "canned" quarks, each of them again appearing in three possible colors; the muon; and the muon-type neutrino. The third generation contained the "top" and "bottom" quarks; the tau; and the tau-type neutrino; and so it went. Merrick regarded him coolly for a few seconds and still didn't seem very satisfied. "Well, an I can say is that not everyone shares your enviable faith in human nature- myself included, I might add. The official policy conveyed to me from the Directorate, which it is your duty as well as mine to support irrespective of our own personal views, other than it was more amusing than talking about a miserable day of job-hunting. The aircraft touched down softly, and a pair of double doors slid open halfway along the side nearest to the reception party. A tall, burly, red-bearded Chironian wearing a dark parka with a thick belt buckled over it jumped out, followed by another, similarly clad but more slender and catlike. More figures became visible inside when the cabin light came on. Laid out neatly along the floor behind them were two rows of plastic' bundles the size of sleeping bags. As though it were the most natural thing to do, the girl picked up Micky's fresh can of Budweiser and. Kalens looked at him calmly for a few seconds, then nodded. "Very well.
