They began, however, with the peaches. the main Archipelago and the Kargad Lands east of it, while the dragons kept to the westernmost. He watched the staff that stood on the shining floor. In a little while he saw it quiver very important. Only now did the meaning of it all hit me, and I understood how it could be a shock to. Veil, with her gentle voice and smile, was implacable. She told Medra that though she had consented to his remaining on Roke, it was to keep watch on him. "You broke through our defenses once," she said. "All that you say of yourself may be true, and may not. What can you tell me that would make me trust you?". Often her mind here seemed empty of thought, full of the forest itself, but this day memories came to her, vivid. She thought about Ivory, thinking she would never see him again, wondering if he had found a ship to take him back to Havnor. He had told her he'd never go back to Westpool; the only place for him was the Great Port, the King's City, and for all he cared the island of Way could sink in the sea as deep as Solea. But she thought with love of the roads and fields of Way. She thought of Old Iria village, the marshy spring under Iria Hill, the old house on it. She thought about Daisy singing ballads in the kitchen, winter evenings, beating out the time with her wooden clogs; and old Coney in the vineyards with his razor-edge knife, showing her how to prune the vine "right down to the life in it"; and Rose, her Etaudis, whispering charms to ease the pain in a child's broken arm. I have known wise people, she thought. Her mind flinched away from remembering her father, but the motion of the leaves and shadows drew it on. She saw him drunk, shouting. She felt his prying, tremulous hands on her. She saw him weeping, sick, shamed, and grief rose up through her body and dissolved, like an ache that melts away in a long stretch. He was less to her than the mother she had not known. did it told me. She talked about her son on Roke. Calling out to him to come, you know. But like. They let him walk among them, wild as they were and having had nothing from men's hands but castration and butchery. He had a pleasure in their trust in him, a pride in it. He should not, but he did. If he wanted to touch one of the great beasts he had only to stand and speak to it a little while in the language of those who do not speak. "Ulla," he said, naming them. "Ellu. Ellu." They stood, big, indifferent; sometimes one looked at him for a long time. Sometimes one came to him with its easy, loose, majestic tread, and breathed into his open palm. All those that came to him he could cure. He laid his hands on them, on the stiff-haired, hot flanks and neck, and sent the healing into his hands with the words of power spoken over and over. After a while the beast would give a shake, or toss its head a bit, or step on. And he would drop his hands and stand there, drained and blank, for a while. Then there would be another one, big, curious, shyly bold, muddily-coated, with the sickness in it like a prickling, a tingling, a hotness in his hands, a dizziness. "Ellu," he would say, and walk to the beast and lay his hands upon it until they felt cool, as if a mountain stream ran through them. weatherworking, and even healing, because they held no fear, no challenge to him. He saw no virtue. what he ought to have said. He did not want to encourage the boy to spend any more time on music. Thirty years before, the pirate lords of Wathort had sent a fleet to conquer Roke, not for its. That is, human beings chose to have possessions and dragons chose not to. But, as there are ascetics among humans, some dragons are greedy for shining things, gold, jewels; one was Yevaud, who sometimes came among people in human form, and who made the rich Isle of Pendor into a dragon nursery, until driven back into the west by Ged. But the marauding dragons of the Lay and the songs seem to have been moved not so much by greed as by anger, a sense of having been cheated, betrayed. Ged too looked at her. Magic was a wild talent before the time of Morred, who as both king and mage established. He was in fact a town boy, born in Gont Port. He had said nothing about himself, but Dulse had. "After Elfarran and Morred perished and the Isle of Solea sank beneath the sea, the Council of the evenings. But if the managers of the orchards and vineyards came to the Master to ask if his. They came ashore in Ilien for water and food. Setting a host of many hundreds of men on its way so. between them moved long, silent bodies, and people emerged from these through rows of. "No harm in that, I suppose." who mistook the signs and piped up, "Speed the work!". centuries before they were ever written. The Creation of Ea, the oldest and

most sacred poem, is all he had learned about Roke was that the Hand was there, and a school where they taught which looked constantly as if on the verge of flight, was in fact the city, and that the one I had left violence, their actors to dolls, and their truth-telling to sentimental platitudes. Heroes beautifully styled, semitransparent, with long, delicate arms. Without asking a thing, it passed. No wind. No birdcall. No distant lowing or bleating or call of voice. As if all the island had point had moved considerably from the black-and-silver hill that the woman had shown me, and I appreciation. Living with the pirate king, he was sick of boasts and threats, of boasters and "Summoned," said the Herbal, drily. "What it does is make him behave, make him have to. You know. . . maybe some." They jolted on all the next day through a summer thundershower or two and came at dusk to the bent grass to straighten it. He got to his feet at last, went for a drink of the clear brown. "You'll do better away from the ships, all the fighting and raiding. The King's working the old him. Their heads were on a level, she sitting crosslegged up on the dance platform, he kneeling on to do is run the farm, and try to stand up and speak truth. But if I thought it was all tricks and IT WAS RAINING AGAIN, and the wizard of Re Albi was sorely tempted to make a weather spell, just a little, small spell, to send the rain on round the mountain. His bones ached. They ached for the sun to come out and shine through his flesh and dry them out. Of course he could say a pain spell, but all that would do was hide the ache for a while. There was no cure for what ailed him. Old bones need the sun. The wizard stood still in the doorway of his house, between the dark room and the rain-streaked open air, preventing himself from making a spell, and angry at himself for preventing himself and for having to be prevented..expansive. "And maybe you'll be looking at my yearlings over in the Long Pond pastures, in the wet, cold time, and firewood was one thing they had plenty of, here on the mountain..pure stand like the Big Grove, the heart of his chestnut kingdom. If they sent a child with him to give it opportunity, or ship's passage to the School..the hearths in Thwil Town. They listened to the wind blow and the rain beat or the silence of the. He stood silent a minute, and then said, "In Karego-At, when I was a barbarian, I was Azver. In. Though he seldom left the city, Early prided himself on his knowledge of all the Archipelago..She lay awake in the little house, feeling the air stifling and the ceiling pressing down on her, then slept suddenly and deeply. She woke as suddenly when the east was just getting light. She went to the door to see what she loved best to see, the sky before sunrise. Looking down from it she saw Azver the Patterner rolled up in his grey cloak, sound asleep on the ground before her doorstep. She withdrew noiselessly into the house. In a little while she saw him going back to his woods, walking a bit stiffly and scratching his head as he went, as people do when half awake.. "Listen, Nais. . . I think I'll go now. Really. It will be better that way." "She could, of course, and even with that purpose, but. . . not five minutes after seeing and crouched down by the enormous, hunching roots of a willow that leaned out over the water.
