He had lost something and had to find it. He did not know what he had lost, but it was in the fiery tower, the place where stone stairs went up among smoke and fumes. He had to go there. He got to his feet and shuffled, lame and unsteady, back down the valley. again and again. She had met a wall of air and silence. She touched nothing. He would not hear. you. "And when he had drunk his soup, and she was settled with her mending, he told it. Dulse knew better than to ask for explanation. The need to speak such a spell could not come often; the chance of his ever having to use it was very slight. He let the terrible spell sink down in his mind and be hidden and layered over with a thousand useful or beautiful or enlightening mageries and charms, all the lore and rules of Roke, all the wisdom of the books Ard had bequeathed him. Crude, monstrous, useless, it lay in the dark of his mind for sixty years, like the cornerstone of an earlier, forgotten house down in the cellar of a mansion full of lights and treasures and children. "Just for the food and the fire, you know, the peat costs so much now," she was saying, and then. "I heard -" she said, and could not say what she had heard. "He knows a curer, maybe." there, he sailed up the Ebavnor Straits, intending to head west along the south shores of Omer. He. She got to work scraping down the inner wall of the house, readying it to plaster. But before the. There they fished for whales, as they still do. That was a trade he wanted no part of. Their ships stank and their town stank. He disliked going aboard a slave ship, but the only vessel going out of Geath to the east was a galley carrying whale oil to O Port. He had heard talk of the Closed Sea, south and east of O, where there were rich isles, little known, that had no commerce with the lands of the Inmost Sea. What he sought might be there. So he went as a weatherworker on the galley, which was rowed by forty slaves. choking grip of that power. that bears garnets. All under this part of the city is that rock. I don't know the names. habit established over many years, an old instinct, that told me that at a certain moment we were the room; her lips moved, she was speaking, and gems as big as shields covered her ears, glittered. He checked the henhouse, finding three eggs. Red Bucca was setting. Her eggs were about due to hatch. The mites were bothering her, and she looked scruffy and jaded. He said a few words against mites, told himself to remember to clean out the nest box as soon as the chicks hatched, and went on to the poultry yard, where Brown Bucca and Grey and Leggings and Candor and the King huddled under the eaves making soft, shrewish remarks about rain. All the teachers of the art magic on Roke were women. There were no men of power, few men at all, "We went farthest east," Azver said. "But do you know what the leader of an army is, in my tongue?" After this struggle, the line of the Kargish kings continued in Hupun, nominally honored but powerless. The Four Lands were governed from Awabath. The high priests of the Twin Gods became Priestkings, In the year 840 of the Archipelagan count, one of the two Priest-kings poisoned the other and declared himself to be the incarnation of the Sky Father, the Godking, to be worshiped in the flesh. Worship of the Twin Gods continued, as did the popular worship of the Old Powers; but religious and secular power was henceforth in the hands of the Godking, chosen (often with more or less concealed violence) and deified by the priests of Awabath. The Four Lands were declared to be the Empire of the Sky and the Godkings official title was All-Emperor. He thought he had raised his hand in a spell to stop her, but he had not raised his hand, and she. "Now you," Diamond said to Rose, and she started to do what he had done, but the rock only. coals. Another curer came up this way, a fellow that's been by here before. Doesn't amount to much that I can see. He did no good to my cow with the caked bag, two years ago. And his balm's just pig fat, I'd swear. Well, so, he says to Otak, you're taking my business. And maybe Otak says the same back. And they lose their tempers, and they did some black spells, maybe. I guess Otak did. But he did no harm to the man at all, but fell down in a swoon himself. And now he doesn't remember any more about it, while the other man walked away unhurt. And they say every beast he touched is standing yet, and hale. Ten days he spent out there in the wind and the rain, touching the beasts

and healing them. And you know what the cattleman gave him? Six pennies! Can you wonder he was a little rageous? But I don't say..." She checked herself and then went on, "I don't say he's not a bit strange, sometimes. The way witches and sorcerers are, I guess. Maybe they have to be, dealing with such powers and evils as they do. But he is a true man, and kind." .after it the dragons ceased their hostilities for a while, it is certain that Orm survived it, and other and declared himself to be the incarnation of the Sky Father, the Godking, to be worshiped. She asked nothing and he said no more. Presently he got up, and she followed him to the path that always led them, sooner or later, out of the wood to the clearing by the Thwilburn and the Otter's House. When they came there, it was late afternoon. He went down to the stream and drank from it where it left the wood, above all the crossings. She did the same. Then sitting in the cool, long grass of the bank, he began to speak. Neither spoke for a while. She could just make out the bulk of him in the leafy shadows. "You're before what happened to him happened. And he wasn't so mad as all that. Mad in patches, mad at. The witch emerged with a soapstone drop-spindle and a ball of greasy wool. She sat down on the. Losen shouted, beating his paralyzed legs with his weak hands. And there are songs, old lays and ballads from small islands and from the quiet uplands of Havnor, her bed. Nearing the house, he heard crockery breaking. The father, the drunkard, came wobbling. his conscience as a wizard told him he could put a hex on her, a curse woven right into her beams. She nodded, with an anxious face. "We have to let them go," he said. "What will you have us call you?". The dragons offered no threat during this period, and the Kargs had withdrawn into their own. and mother and housekeeper, already made too much of Diamond's talents and accomplishments. Also, away, instead of sinking into the blank misery of all his nights in that room, he stayed awake, starved. There was little satisfaction in ruling Havnor, a land of beggars and poor farmers.
