We're the best location to get for the called book. And

your time to acquire this specific guide as on the list of compromises has been ready. ? ? ? ? The approval of my lord, so my stress and unease I may ban and mine enemies' malice defy. ? ? ? ? Be patient under its calamities, For all things have an issue soon or late. When El Abbas heard her verses, they pleased him and he said to her, "Well done, O Sitt el Husn! Indeed, thou hast done away trouble from my heart and [banished] the things that had occurred to my mind." Then he heaved a sigh and signing to the fifth damsel, who was from the land of the Persians and whose name was Merziyeh (now she was the fairest of them all and the sweetest of speech and she was like unto a splendid star, endowed with beauty and loveliness and brightness and perfection and justness of shape and symmetry and had a face like the new moon and eyes as they were gazelle's eyes) and said to her, "O Merziyeh, come forward and tune thy lute and sing to us on the [same] subject, for indeed we are resolved upon departure to the land of Yemen." Now this damsel had met many kings and had consorted with the great; so she tuned her lute and sang the following verses: ? ? ? ? ?

When clear'd my sky was by the sweet of our foregathering  
And not a helper there remained to disuniting Fate, ? ? ? ? ?  
Ye've drowned me in the sea of love for you; my  
heart Denies to be consoled for those whom I adore. Abdallah ben Nafi and the King's Son of Cashghar, ii. 195. However, he would not be denied, and when he saw her [constant] refusal of herself to him, he feared lest she should tell the folk of him. So, when he arose in the morning, he took a scroll and wrote in it what he would of forgery and falsehood and going up to the Sultan's palace, said, "[I have] an advisement [for the king]." So he bade admit him and he delivered him the writ that he had forged, saying, 'I found this letter with the woman, the devotee, the ascetic, and indeed she is a spy, a secret informer against the king to his enemy; and I deem the king's due more incumbent on me than any other and his advisement the first [duty], for that he uniteth in himself all the people, and but for the king's presence, the subjects would perish; wherefore I have brought [thee] warning.' The king put faith in his words and sent with him those who should lay hands upon the woman and put her to death; but they found her not. When the king heard this story, he smiled and it pleased him and he bade the vizier go away to his own house. When El Aziz had sat awhile, he summoned the mamelukes of his son El Abbas, and they were five-and-twenty in number, besides half a score slave-girls, as they were moons, five of whom the king had brought with him and other five he had left with the prince's mother. When the mamelukes came before him, he cast over each of them a mantle of green brocade and bade them mount like horses of one and the same fashion and enter Baghdad and enquire concerning their lord El Abbas. So they entered the city and passed through the [streets and] markets, and there abode in Baghdad nor old man nor boy but came forth to gaze on them and divert himself with the sight of their beauty and grace and the goodliness of their aspect and of their clothes and horses, for that they were even as moons. They gave not over going till they came to the royal palace, where they halted, and the king looked at them and seeing their beauty and the goodliness of their apparel and the brightness of their faces, said, "Would I knew of which of the tribes these are!" And he bade the eunuch bring him news of them. To return to King El Aziz. When his son El Abbas left him, he was desolated for him with an exceeding desolation, he and his mother; and when tidings of him tarried long and the appointed time passed [and the prince returned not], the king caused public proclamation to be made, commanding all his troops to make ready to mount and go forth in quest of his son El Abbas at the end of three days, after which time no cause of hindrance nor excuse should be admitted unto any. So on the fourth day, the king bade number the troops, and behold, they were four-and-twenty thousand horse, besides servants and followers. Accordingly, they reared the standards and the drums beat to departure and the king set out [with his army], intending for Baghdad; nor did he cease to fare on with all diligence, till he came within half a day's journey of the city and bade his troops encamp in [a place there called] the Green Meadow. So they pitched the tents there, till the country was straitened with them, and set up for the king a pavilion of green brocade, brodered with pearls and jewels. ? ? ? ? ? Saying, "Thy fill of union take; no spy is there on us, Whom we should fear, nor yet reproach our gladness may abate." ? ? ? ? ? If the rose be entitled the pride of the morn, Before me nor after she wins it, I ween. 103. The Loves of Abou Isa and Curret el Ain ccccxiv. ? ? ? ? ? a. Story of Taj el Mulouk and the Princess Dunya cvii. This story pleased King Shah Bekht and he marvelled thereat; but the vizier said to him, "This story is not more extraordinary than that of the rich man who married his fair daughter to the poor old man." The king's mind was occupied with the [promised] story and he bade the vizier withdraw to his lodging. So he [returned to his house and] abode there the rest of the night and the whole of the following day. ? ? ? ? ? b. The Fakir and his Pot of Butter dcx. His love on him took pity and wept for his dismay, ii. 210. Accordingly, the king bade fetch the girl [and she came]. Then there befell that which befell of his foregathering with the elder sister, and when he went up to his couch, that he might sleep, the younger sister said to the elder, 'I conjure thee by Allah, O my sister, an thou be not asleep, tell us a story of thy goodly stories, wherewithal we may beguile the watches of our night, against morning come and parting.' 'With all my heart,' answered she and fell to relating to her, whilst the king listened. Her story was goodly and delightful, and whilst she was in the midst of telling it, the dawn broke. Now the king's heart clave to the hearing of the rest of the story; so he respited her till the morrow, and when it was the next night, she told him a story concerning the marvels of the lands and the extraordinary chances of the folk, that was yet stranger and rarer than the first. In the midst of the story, the day appeared and she was silent from the permitted speech. So he let her live till the ensuing night, so he might hear the completion of the story and after put her to death. ? ? ? ? ?

? ? ? ? ? ba. The Envier and the Envied xlvi. ? ? ? ? ? All wasted is my body and bowels tortured sore; Love's fire on me still waxeth, mine eyes with tears still rain. Now she was righteous in all her dealings and swerved not from one word; (3) so, when he saw that she consented not unto him, he misdoubted that she would tell his brother, when he returned from his journey, and said to her, 'An thou consent not to this whereof I require thee, I will cause thee fall into suspicion and thou wilt perish.' Quoth she, 'Be God (extolled be His perfection and exalted be He!) [judge] betwixt me and thee, and know that, shouldst thou tear me limb from limb, I would not consent to that whereto thou biddest me.' His folly (4) persuaded him that she would tell her husband; so, of his exceeding despite, he betook himself to a company of people in the mosque and told them that he had witnessed a man commit adultery with his brother's wife. They believed his saying and took act of his accusation and assembled to stone her. Then they dug her a pit without the city and seating her therein, stoned her, till they deemed her dead, when they left her. On this wise they abode a whole year, at the end of which time Selim said to the queen-mother, 'Know that my life is not pleasing to me nor can I abide with you in contentment till I get me tidings of my sister and learn in what issue her affair hath resulted and how she hath fared after me. Wherefore I will go and be absent from you a year's space; then will I return to you, so it please God the Most High and I accomplish of this that which I hope.' Quoth she, 'I will not trust to thy word, but will go with thee and help thee to that which thou desirest of this and further thee myself therein.' So she took a ship and loaded it with all manner things of price, goods and treasures and what not else. Moreover, she appointed one of the

viziers, a man in whom she trusted and in his fashion and ordinance, to rule the realm in their absence, saying to him, 'Abide [in the kingship] a full-told year and ordain all that whereof thou hast need..? ? ? ? ? And scatter musk on him and ambergris, so long As time endures; for this is all my wish and care..Quoth Ishac, 'Indeed, this was of thy fair fortune. By Allah, I know not that which thou knowest in this craft!' Then he arose and going to a chest, brought out therefrom striped clothes of great price, netted with jewels and great pearls, and said to her, 'In the name of God, don these, O my lady Tuhfeh.' So she arose and donned those clothes and veiled herself and went up [with Ishac] to the palace of the Khalifate, where he made her stand without, whilst he himself went in to the Commander of the Faithful (with whom was Jaafer the Barmecide) and kissing the earth before him, said to him, 'O Commander of the Faithful, I have brought thee a damsel, never saw eyes her like for excellence in singing and touching the lute; and her name is Tuhfeh.' (186) 'And where,' asked Er Reshed, 'is this Tuhfeh, who hath not her like in the world?' Quoth Ishac, 'Yonder she stands, O Commander of the Faithful;' and he acquainted the Khalif with her case from first to last. Then said Er Reshid, 'It is a marvel to hear thee praise a slave-girl after this fashion. Admit her, so we may see her, for that the morning may not be hidden.' 'It is told of a certain doughty thief, that he used to rob and stop the way by himself upon caravans, and whenever the prefect of police and the magistrates sought him, he would flee from them and fortify himself in the mountains. Now it befell that a certain man journeyed along the road wherein was the robber in question, and this man was alone and knew not the perils that beset his way. So the highwayman came out upon him and said to him, "Bring out that which is with thee, for I mean to slay thee without fail." Quoth the traveller, "Slay me not, but take these saddle-bags and divide [that which is in] them and take the fourth part [thereof]." And the thief answered, "I will not take aught but the whole." "Take half," rejoined the traveller, "and let me go." But the robber replied, "I will take nought but the whole, and I will slay thee [to boot]." And the traveller said, "Take it." .63. Haroun er Reshid and the Two Girls dcli.The Merciful dyed me with that which I wear, ii. 245..Say, by the lightnings of thy teeth and thy soul's pure desire, iii. 19..And for another story of the same kind,' continued the officer,
