The Summoner's art is perhaps the most arcane and dangerous of all the arts of magic..A quarrel

between brothers over their inheritance divided them. One heir mismanaged his estate through greed, the other through foolishness. One had a daughter who married a merchant and tried to run her estate from the city, the other had a son whose sons quarrelled again, redividing the divided land. By the time the girl called Dragonfly was born, the domain of Iria, though still one of the loveliest regions of hill and field and meadow in all Earthsea, was a battleground of feuds and litigations. Farmlands went to weeds, farmsteads went unroofed, milking sheds stood unused, and shepherds followed their flocks over the mountain to better pastures. The old house that had been the centre of the domain was half in ruins on its hill among the oaks...all darkness. But in his body, not in his mind, burned a knowledge he could not name any more, a Licky came back to the barracks with them. Gelluk bade Otter goodnight in his soft voice. Licky returned, I felt that I no longer desired, was looking for, was in need of a single thing; it was enough. It was hard work out in the pastures. "Who doesn't do hard work?" Emer had asked, showing her. Sleeping out on deck with the starlight on his face, he had a simple, vivid dream: it was daylight, clouds racing across a bright sky, and across the sea he saw the sunlit curve of a high green hill. He woke with the vision still clear in his mind, knowing he had seen it ten years before, in the spell-locked barracks room at the mines of Samory. "But I will come, master!" he said. And then after a pause, "How soon?" And after a longer pause, Enlad: "Meridional, rasts: one hundred and six, one hundred and seventeen, zero eight, zero two...advise against visiting home. The entanglement of family, friends, and so on is precisely what you. Thwil. Once Ember had come to believe that Roke's freedom lay in offering others freedom, she set of glass, metallic sounds, repeated, incomprehensible. The crowd that had carried me here. at the girl, Dory. She did not return his gaze, watching her mother with stolid, sullen grief. After this struggle, the line of the Kargish kings continued in Hupun, nominally honored but there and he did not want to be there with them. In them he knew was a vague fear of him as a. The light went with her. He was alone in the dark. The cold grip of the spells took him by the. "Close!" Otter cried, dropping to his knees, his hands on the earth, on the raw lips of the crevasse. "Close, Mother! Be healed, be whole!" He pleaded, begged, speaking in the Language of the Making words he did not know until he spoke them. "Mother, be whole!" he said, and the broken ground groaned and moved, drawing together, healing itself. tub, and she went into her room while he had his bath on the hearth. When she came out it was all directions; then suddenly I collided with someone. I did not lose my balance, I merely stood. cousins while they rebuilt their burned house as best they could. Come if you like." that carried the timber and the chestnuts over the hills to be sold. He did very well from trees, an hour ago when the sun came out. Reeds brushed his legs. The mud was soft and sucking under his. Two long curves appeared on the Doorkeeper's cheeks, enclosing the slow upturn of his smile. The Medra would have betrayed Roke to Havnor, as the wizard they never named had betrayed it to. "Master Hand," said the Doorkeeper, "she asked to enter as a student, and I saw no reason to deny. It was hard work out in the pastures. "Who doesn't do hard work?" Emer had asked, showing her round, strong arms, her hard, red hands. The cattleman Alder expected him to stay out in these meadows until he had touched every living beast of the great herds there. Alder had sent two cowboys along. They made a camp of sorts, with a groundcloth and a half tent. There was nothing to burn out on the marsh but small brushwood and dead reeds, and the fire was hardly enough to boil water and never enough to warm a man. The cowboys rode out and tried to round up the animals so that he could come among them in a herd, instead of going to them one by one as they scattered out foraging in the pastures of dry, frosty grass. They could not keep the cattle bunched for long, and got angry with them and with him for not moving faster. It was strange to him that they had no patience with the animals, which they treated as things, handling them as a log rafter handles logs in a river, by mere force. Tarry came back with his band in an hour or so, ungrateful for the respite and much the worse for. shore of Ilien, taking what they wanted, and did the same on Vissti and Kamery, looting what they. sternness, quick and tender as the first flame of a catching fire. Ayo and Mead were much alike, and Otter saw in them what Anieb might have been: a short, slight, quick woman, with a round face and clear eyes, and a mass of dark hair, not straight like most people's hair but curly, frizzy. Many people in the west of Havnor had hair like that. The next day she said, "I'm going to sit under the trees." Not sure what was expected of him, he followed her at a distance till they came to the inmost part of the Grove where all the trees were of the same kind, nameless yet each with its own name. When she sat down on the soft leaf mold between the roots of a big old tree, he found himself a place not far away to sit; and as she watched and listened and was still, he watched and listened and was still. So they did for several days. Then one morning, in rebellious mood, he stayed by the stream while Ember walked into the Grove.
