And this ebook is excessively had to read, sometimes detail by detail, it may be perfect for you and your entire life. The capsule arrived, and Jay fell silent while he digested what Pernak had said. As they climbed inside, Jay entered a code into the panel by the door to specify their destination in the Jersey module, and they sat down on an empty pair of facing seats as the capsule began to move. After a short run up to speed, it entered a tube to exit from Maryland and passed through one of the spherical intermodule housings that supported the Ring and contained the bearings and pivoting mechanisms for adjusting the module orientations to the ship's state of motion. For a brief period they were looking out through a transparent outer shell at the immensity of the Spindle, seemingly supported by a web of structural booms and tie-bars three miles above their heads, with the vastness of space extending away on either side, and then they entered the Kansas module where the scene outside changed to animal grazing enclosures, level upon level of agricultural traits, fish farms, and hydroponics tanks.. "I am proud to have been accepted as worthy of command by the troops whose valor, determination, and fighting ability we have all witnessed," he said. "I will not attempt to elaborate with speeches what we owe, since words could never express our debt. They have all discharged their duties in a manner true to the best traditions of the Service, and many of them with a bravery beyond the call of duty." He paused, and his face became more solemn. "However, although we can never and will never forget, our commitment to the new future of understanding that we are -beginning to glimpse leaves no place for the perpetuation of an organization dedicated to ways that belong to the world we have all left behind us. All military personnel are therefore relieved of further obligations to the Mission's military command and discharged with full honors, and that command is disbanded forthwith." The hall remained quiet while Borftein sat down. Kalens was asking from the screen. "Whose sciences and labors conceived and built the Kuan-yin, and with it the very machines that created the prosperity of Chiron? Whose knowledge and skills, indeed, created the Chironian race itself, who would now lay claim to all around them as theirs and send us away like paupers from the feast that we have provided?" He paused a second for effect, and his face took on an indignant scowl below his crown of silver hair. "I say no! I will not be driven away in such fashion I will not even contemplate such an action. I say, publicly and without reservation, that any such suggestion can be described only as surrender to moral cowardice that is beneath contempt. Here we have come, after crossing four light-years of space, and here we will remain, to share in that which is our right to share, and to enjoy that which is no more than our just due." A thunder of applause greeted the exhortation. Jean had heard enough and told Jeeves to turn off the screen.. "All of them." Shirley sounded mildly surprised.
