I don't know why.".A moment ago, he'd been eager to investigate this place. Now he wants only to move on?and quickly.. "Of course not, dear. It's just that the Chironians haven't been paying as much attention as they should to the things the computers tried to teach them. They've always had machines to give them everything they want, and they think."Old Sinsemilla. Who else? She's psychotic. As they say when they commit people to the psychiatric.At that moment one of the Chironian girls from the group in the corner took Swyley lightly by the arm. "I thought you were getting some more drinks," she said. "We're all drying up over there. I'll give you a hand. Then you can come back and tell us more about the Mafia. The conversation was just getting interesting.".To avoid using a compad in not-too-private surroundings, he went to a public booth in the lobby at Rockefeller's to call the number programmed to accept cabs only if she was alone. While Colman waited for a response, his mind flashed back six months. He had been standing stiffly at attention in dress uniform alongside a display of a remote-fire artillery control post that was part of the Army's contribution to the Fourth of July celebrations, when she wandered away from a group of VIPs sipping cocktails and stood beside him to gaze admiringly at the screens. carrying simulated battlefield displays. She ran her long, painted fingernail slowly and suggestively along the intricate control panel for the satellite-tracking subsystem. "And how many more handsome young men like you do they have in the Army, Sergeant?" she murmured at the displays before her.. "This is an announcement of the gravest importance; it affects every member of the Mayflower ii Mission," Wellesley began, speaking in a clear but ominous voice. "I am addressing you all in my full capacity as Director of this Mission. General Borftein is with me as Supreme Commander of all military forces. Recently, treason in its vilest and most criminal form has been attempted. That attempt has failed. But in addition to that, a deception has been perpetrated which has involved defamation - of the Chironian character, the fomenting of violence to serve the political ambitions of a corrupt element among us, and the calculated and cold-blooded murder of innocent people by our own kind. I do not have to remind you..the interstate before fleeing north into the wildland..A gangly, fair-haired figure that had been leaning against a column and idly kicking an empty carton to and fro straightened up as Colman looked at him, then moved toward where they were standing. There's a dish of pickles, some olives, a bowl of potato.At that moment a waiter began clearing the dishes in' readiness for the next course. "Have you heard the news from the surface?" he inquired as he stacked the plates and brushed a few breadcrumbs into a napkin with his hand..Stern brought his fingers together in front of his face-a noble face whose proud, Roman-emperor features crowned by laurels of curly hair combed fiat and forward concealed an underlying harshness of line from all but the most discerning--and stared at the center of the table with large, liquid-brown, unfathomable eyes. "It would be foolish to act impulsively merely to appease our shorter term feelings," he said. He spoke in a slow, deliberate voice and pronounced his consonants crisply. "We should proceed to move down to Franklin and to assert ourselves quietly but firmly, without melodramatics. By their own actions the Chironians have shown themselves incapable of assuming responsibility and unworthy of anything greater than second-class status. Their leaders have abdicated any role they might

have gained for themselves in the future administration, and they will be in no position to set terms or demand favors when they reemerge." He paused, and then turned his eyes to Howard Kalens. "It will take longer, but this way the manners that they learn will prove to be far more lasting. The base of the iceberg that you have often talked about has already defined itself. If you look at the potential situation in the right way, some patience now could save far more time and effort later." "That came later-after I'd been on the ship for some time. At first I was with the infantry. . . saw some combat in Africa. I spent most of the voyage in the Engineer Corps though. . . up until about a year or two back." "got to allow me a little literary license." "pickled slugs, and crushed-insect protein. The earthworm pie sort of put an end to all that. I'm absolutely." "That's a personal question, Jay," Bernard cautioned. "Anyhow, it's early yet." "We've got a section already suited up," Colman said. "Are those cars running?" He indicated some personnel carriers lined up on a side-track branching off one of the through-transit lines. Jarvis nodded. Colman turned to Swyley. "Get the section loaded up and move them. on down the ramp." Swyley and Jarvis hurried away..simmering bitterness to which the coffee was a perfect accompaniment..the field here, which now seems likely, and possibly the C1A, as well?those guys won't sell out their.became the benefactor to bugs, emancipator of mice..Besides, he's got Old Yeller to think about. An air line ruptures and pressure falls and the brakes.unpredictable neighbor..Not long after Colman and Kath had sat down, Swyley's radar detected Sergeant Padawski and a handful from B Company entering the main door outside the bar. They were talking loudly and seemed to be a little the worse for drink. Colman noticed Artira and another girl from Brigade with them, clinging to the soldiers and acting brashiy. He shook his head despairingly, but it wasn't really his business. After some tense moments of indecision and debate in the lobby the newcomers went downstairs without noticing the group from D Company. Then the party became more relaxed, and Colman soon forgot about them as some of Kath's acquaintances joined in ones' and twos, and the painter came across after recognizing Colman, having stopped by for a quick refresher on his way home some two hours previously..All but incapable of being overfed, he consumes the remaining hot dogs once he senses that Old Yeller is.Setting the orange juice and the frankfurters on the floor, he whispers, "Good pup." He hopes that Old.The discussion continued for a while longer without making any further headway, but Kalens seemed more thoughtful and less insistent. Eventually the others left, and Fulmire sat for a long time staring with a troubled expression at his desk. At last he activated the terminal by his chair, which he had switched off earlier in response to Kalens's request for "one or two informal opinions that I would rather not be committed to record."..shame arose from the fact that she had spilled her guts this evening.
