The empathy.something that required no effort, no slightest sacrifice..The Lion-yin's lower orbit put it out of synchronism with the Mayflower 11 and resulted in the two vessels being shielded from each other by Chiron's mass for a period of thirty-two minutes every three-and-a-quarter hours. The sixteen Devastator missiles would be launched from the Battle Module while the Mayflower li was screened from the Kuan-yin's retaliatory fire. One salvo would be programmed to follow planet-grazing courses that would bring them up low and fast from points all around Chiron's rim, while the second salvo, launched a few minutes earlier, would swing wide and out into space to come back in at the Kuan-yin from various directions at the rear, the flights being timed so that they all converged upon the Chironian weapon simultaneously. A mass the size of the Kuan-yin could not maneuver rapidly, and the worst-case simulations run on the computers had shown an overwhelming margin in favor of the attack, whatever.holes. Serve her chicken sandwiches, and she'll give.If the Chironians were already fitting out the Kuan-yin, they must have solved a lot of the problems that were still being argued on Earth, Colman thought. The whole planet, he realized as he reflected on it, was a powerhouse of progress, unchecked by any traditions of unreason and with no vested-interest obstructionists to hold it back. If the pattern continued until Chiron became a fully populated world, it would effectively leave Earth back in the Stone Age within a century. "Have you actually flown it anywhere yet?" he asked, turning his head toward Kath. "The Kuan-yin . "No ..." he said slowly at last. "We're on our own on a grain of dust somewhere in a gas of galaxies. Inventing guardian angels for company won't change it. Whether we make it or not is up to us. If we mess it up, the universe out there won't miss us." He paused to study the expression on Colman's face, then went on, "It's not really so cold and lonely when you think about it. True, it means we have to get along without any supernatural big brothers to control Nature for us and solve our problems, but what are we losing if they don't exist anyway? On the other hand, we don't have to fear all the nonsense that gets invented along with them either. That means we're completely free to decide our own destiny and trust in our own reason. To me that's not such a bad feeling.".He grinned at the joke as he, turned to lead the way. Farnhill didn't seem to appreciate the humor.. "The cloak-and-dagger aspect ought to be fun, and the sleuthing. "You too." The image vanished from the screen..Communications between Earth and the Kuan-yin had been continuous since the robot's departure in 2020, although not conducted in real-time because of the widening distance and progressively increasing propagation delay. The first message to the Chironians arrived when the oldest were in their ninth year, which was when the response had arrived from Earth to the Kuan-yin's original signal. Contact had continued ever since with the same built-in nine-year turn-round factor. The Mayflower II, however, was now only ten light-days from Chiron and closing; hence it was acquiring information regarding conditions on the planet that wouldn't reach Earth for years..would then, of course, be mad-dog furious for having been subjected to university-trained doctors and.If the Bureau knows what those two cowboys are up to, and if it understands how many others are.The heat. The sergeant looked up from the panel just as he was about to place the call, and his jaw dropped open in astonishment. Borfein was striding forward toward the desk with Wellesley on one side of him, Lechat on the other, and a squad of soldiers in tight formation bringing up the rear. Celia and Malloy were between them. The two SD guards glanced uncertainly at each other..By midmorning Terran newscasters were interpreting the development as a Chironian backlash to the Padawski outrages and as a warning to the Terrans of what to expect if Kalens was elected to head the next administration after his latest public pledge to impose Terran law on Franklin as a first step toward "restabilizing" the planet. Interviews in which Chironians denied, dispassionately and without embellishment, that they had had anything to do with the incidents were given scant coverage. Reactions among the Terrans were mixed. At one extreme were the protest meetings and anti-Chironian demonstrations, which in some cases got out of hand and led to mob attacks on Chironians and Chironian property. At the other, a group 'of two hundred Terrans who believed the bombings to have been the work of the Terran anti-Chironian extremists announced that they were

leaving en masse and had to be stopped by a cordon of troops. Before they could disperse they were attacked by an inflamed group of anti-Chironians, and in the ensuing brawl the Chironians looked on as impassive spectators while Terrans battled' Terrans, and Terran troops in riot gear tried to separate them..than me, for some reason."."Why not?" the painter asked. '-You'd have to feel kind of sorry for someone like that. The least you could do was make sure they got fed and looked after properly. We do get a few like that, and that's what happens to them. It's a shame, but what can anybody do?" -."I only live at Port Norday during the week," Kath said. "I've got a place in Franklin as well. It's not far from here at all.'.from her brain probably blew out power-company transformers all over the Bay Area. Great pie, Mrs..Chapter 2.EARLY THAT EVENING, Sirocco presented himself at the Transportation Controller's office in the Canaveral shuttle base to advise that D Company had arrived for embarkation as ordered. Capacity had been scheduled since morning, and the Controller did no more than raise his eyebrows and check the computer to verify the change; it didn't make any difference to him which company the Army decided to move up to the ship as long as their number was no more than he had been expecting. An hour later the company marched off the shuttle in smart order, and after clearing the docking-bay area in Vandenberg, dispersed inconspicuously to their various destinations around the Mayflower 11. Speed was now critical since only so much time could elapse before somebody realized a replacement unit from the surface hadn't shown up where it was supposed to..deliver, would you? You're really going to shaft his wife?". "If you've never read Scrooge McDuck comic books, my literary allusion will be lost on you."..Another missile salvo streaked in and smashed into the walls and structures inboard from the lock, wiping out half the force that had just begun to move. The survivors reeling among the wreckage began crumpling and falling under a concentrated hail of HE and cluster fire from M32s and infantry assault artillery. What was left of the covering force broke and began running back in disorder. "Get everybody out! Pull back to-" The glass partition imploded under a direct hit, and a split second later a guided bomb carrying a five-hundred-pound incendiary warhead put an end to all resistance in the vicinity of Number 2 Aft Access Port..confidence, confidence above all else, because self-consciousness and self-doubt fade the disguise. We were starting to talk shop." Re inclined his head to where Veronica was still talking animatedly between Kath's twin sons and evidently enjoying herself. "Somebody seems to be quite a hit over there."..Colman nodded. "Sure. They're selected and trained to obey orders and not ask questions. Some of them would shoot their own mothers if the right person said so. And Stormbel was in on it. It fits." He thought for a second longer, and then looked at Lechat and Bernard. "There were a lot of suspicious things about Padawski breaking out too. It couldn't have happened the way it did without inside help. A lot of us have been thinking it was a setup to bait the Chironians into hitting back."..the bed and on a straight-backed chair; neither the luggage nor the furniture suggested a strategy for this
