Ofcourse the added advantages to get and what kind of guide can join that you're reading. And we'll trouble one to use analyzing **Get Free The Murders Of Mrs Austin And Mrs Beale Fb2** as among the analyzing material to perform. When the king returned from his journey, he questioned his vizier of the affairs of his kingdom and the latter answered, 'All is well, O king, save a vile matter, which I have discovered here and wherewith I am ashamed to confront the king; but, if I hold my peace thereof, I fear lest other than I discover it and I [be deemed to] have played traitor to the king in the matter of my [duty of] loyal warning and my trust.' Quoth Dabdin, 'Speak, for thou art none other than a truth-teller, a trusty one, a loyal counsellor in that which thou sayest, undistrusted in aught.' And the vizier said, 'O king, this woman to whose love thy heart cleaveth and of

whose piety thou talkest and her fasting and praying, I will make plain to thee that this is craft and guile.' At this, the king was troubled and said, 'What is to do?' 'Know,' answered the vizier, 'that some days after thy departure, one came to me and said to me, "Come, O vizier, and look." So I went to the door of the [queen's] sleeping-chamber and beheld her sitting with Aboulkhair, her father's servant, whom she favoureth, and she did with him what she did, and this is the manner of that which I saw and heard.' ? ? ? ? ? Him I beseech our loves who hath dissevered, Us of his grace once more to reunite..? ? ? ? ? n. The Man who never Laughed again dxxxvii. When the morning morrowed, the first who presented himself before the Amir was the Cadi Amin el Hukm, leaning on two of his black slaves; and he was crying out and calling [on God] for aid and saying, "O crafty and perfidious Amir, thou depositedst with me a woman [yesternight] and broughtest her into my house and my dwelling-place, and she arose [in the night] and took from me the good of the little orphans, (96) six great bags, [containing each a thousand dinars, (97) and made off;] but as for me, I will say no more to thee except in the Sultan's presence." (98) When the Master of the Police heard these words, he was troubled and rose and sat down; then he took the Cadi and seating him by his side, soothed him and exhorted him to patience, till he had made an end of talk, when he turned to the officers and questioned them. They fixed the affair on me and said, "We know nothing of this affair but from Captain Muineddin." So the Cadi turned to me and said, "Thou wast of accord with this woman, for she said she came from the Citadel." Then they attired Dinarzad in a dress of blue brocade and she became as she were the full moon, whenas it shineth forth. So they displayed her in this, for the first dress, before King Shahzeman, who rejoiced in her and well-nigh took leave of his wits for longing and amorous desire; yea, he was distraught with love for her, whenas he saw her, for, indeed, she was as saith of her one of her describers in the following verses: I went out one night to the house of one of my friends and when it was the middle of the night, I sallied forth alone [to go home]. When I came into the road, I espied a sort of thieves and they saw me, whereupon my spittle dried up; but I feigned myself drunken and staggered from side to side, crying out and saying, "I am drunken." And I went up to the walls right and left and made as if I saw not the thieves, who followed me till I reached my house and knocked at the door, when they went away.. When the evening evened, the king summoned the vizier and required of him the hearing of the [promised] story. So he said, "Harkening and obedience. Know, O king, that. Quoth the king, 'Verily, thou makest me long to see him. Canst thou not bring us together?' 'With all my heart,' answered the husbandman, and the king sat with him till he had made an end of his tillage, when he carried him to his dwelling-place and brought him in company with the other stranger, and behold, it was his vizier. When they saw each other, they wept and embraced, and the husbandman wept for their weeping; but the king concealed their affair and said to him, 'This is a man from my country and he is as my brother.' So they abode with the husbandman and helped him for a wage, wherewith they supported themselves a long while. Meanwhile, they sought news of their country and learned that which its people suffered of straitness and oppression.. [Then they all flew off in haste and] lighting down in the place where were their father Es Shisban and their grandfather the Sheikh Aboultawaf, found the folk on the sorriest of plights. When their grandfather Iblis saw them, he rose to them and wept, and they all wept for Tuhfeh. Then said Iblis to them, 'Yonder dog hath outraged mine honour and taken Tuhfeh, and I doubt not but that she is like to perish [of concern] for herself and her lord Er Reshid and saying "All that they said and did (239) was false." Quoth Kemeryeh, 'O grandfather mine, there is nothing left for it but [to use] stratagem and contrivance for her deliverance, for that she is dearer to me than everything; and know that yonder accursed one, whenas he is ware of your coming upon him, will know that he hath no power to cope with you, he who is the least and meanest [of the Jinn]; but we fear that, when he is assured of defeat, he will kill Tuhfeh; wherefore nothing will serve but that we contrive for her deliverance; else will she perish.' 'And what hast thou in mind of device?' asked he; and she answered, 'Let us take him with fair means, and if he obey, [all will be well]; else will we practise stratagem against him; and look thou not to other than myself for her deliverance.' Quoth Iblis, 'The affair is thine; contrive what thou wilt, for that Tuhfeh is thy sister and thy solicitude for her is more effectual than [that of] any.'. Moreover, King Shehriyar summoned chroniclers and copyists and bade them write all that had betided him with his wife, first and last; so they wrote this and named it "The Stories of the Thousand Nights and One Night." The book came to (195) thirty volumes and these the king laid up in his treasury. Then the two kings abode with their wives in all delight and solace of life, for that indeed God the Most High had changed their mourning into joyance; and on this wise they continued till there took them the Destroyer of Delights and Sunderer of Companies, he who maketh void the dwelling-places and peopleth the tombs, and they were translated to the mercy of God the Most High; their houses were laid waste and their palaces ruined and the kings inherited their riches.. 118. The Merchant of Cairo and the Favourite of the Khalif El Mamoun El Hikim bi Amrillak M. So the prince's father and his uncle and his mother and the grandees of the realm repaired to his tomb and the princess made lamentation over him, crying aloud. She abode by the tomb a whole month; then she let fetch painters and caused them limn her portraiture and that of the king's son. Moreover, she set down in writing their story and that which had befallen them of perils and afflictions and set it [together with the pictures], at the head of the tomb; and after a little, they departed from the place. Nor," added the vizier, "is this more extraordinary, O king of the age, than the story of the fuller and his wife and the trooper and what passed between them." ? ? ? ? ? Wherefore, O stranger, dare thou not approach me with desire, Lest ruin quick and pitiless thy hardihood requite.. On this wise she abode a great while and indeed yearning for him came nigh to slay her; so she stood and watched for him one day at the door of her chamber and straining him to her bosom, kissed him on the cheek and breast. At this moment, out came the master of the king's household and seeing her embracing the youth, abode amazed. Then he asked to whom that chamber belonged and was answered, 'To Shah Khatoun, wife of the king,' whereupon he turned back, trembling as [one smitten by] a thunderbolt. The king saw him quaking and said to him, 'Out on thee! what is the matter?' 'O king,' answered he, 'what matter is graver than that which I see?' 'What seest thou?' asked the king and the officer said, 'I see that yonder youth, who came with the eunuch, he brought not with him but on account of Shah Khatoun; for that I passed but now by her chamber door, and she was standing, watching; [and when the youth came up,] she rose to him and clipped him and kissed him on his cheek.' ? ? ? ? ? They have shut out thy person from my sight; They cannot shut thy memory from my spright.. When in the sitting-chamber we for merry-making sate, iii. 135.. When the damsel had made an end of her song, El Abbas swooned away and they sprinkled on him rose-water, mingled with musk, till he came to himself, when he called another damsel (now there was on her of linen and clothes and ornaments that which beggareth description, and she was endowed with brightness and loveliness and symmetry and perfection, such as shamed the crescent moon, and she was a Turkish girl from the land of the Greeks and her name was Hafizeh) and said to her, "O Hafizeh, close thine eyes and tune thy lute and sing to us upon the days of separation." She answered him with "Harkening and obedience"

and taking the lute, tuned its strings and cried out from her head, (107) in a plaintive voice, and sang the following verses:.81. The Foolish Schoolmaster dclxvi. Some misconception seems to exist as to the story of Seif dhoul Yezen, a fragment of which was translated by Dr. Habicht and included, with a number of tales from the Breslau Text, in the fourteenth Vol. of the extraordinary gallimaufry published by him in 1824-5 as a complete translation of the 1001 Nights (224) and it has, under the mistaken impression that this long but interesting Romance forms part of the Book of the Thousand Nights and One Night, been suggested that a complete translation of it should be included in the present publication. The Romance in question does not, however, in any way, belong to my original and forms no part of the Breslau Text, as will be at once apparent from an examination of the Table of Contents of the latter (see post, p. 261), by which all the Nights are accounted for. Dr. Habicht himself tells us, in his preface to the first Vol. of the Arabic Text, that he found the fragment (undivided into Nights) at the end of the fifth Volume of his MS., into which other detached tales, having no connection with the Nights, appear to have also found their way. This being the case, it is evident that the Romance of Seif dhoul Yezen in no way comes within the scope of the present work and would (apart from the fact that its length would far overpass my limits) be a manifestly improper addition to it. It is, however, possible that, should I come across a suitable text of the work, I may make it the subject of a separate publication; but this is, of course, a matter for future consideration..Now the Persian had a mameluke, (201) as he were the full moon, and he arose [and went out], and the singer followed him and wept before him, professing love to him and kissing his hands and feet. The mameluke took compassion on him and said to him, 'When the night cometh and my master entereth [the harem] and the folk go away, I will grant thee thy desire; and I lie in such a place.' Then the singer returned and sat with the boon-companions, and the Persian rose and went out, he and the mameluke beside him. [Then they returned and sat down.] (202) Now the singer knew the place that the mameluke occupied at the first of the night; but it befell that he rose from his place and the candle went out. The Persian, who was drunken, fell over on his face, and the singer, supposing him to be the mameluke, said, 'By Allah, it is good!' and threw himself upon him and clipped him, whereupon the Persian started up, crying out, and laying hands on the singer, pinioned him and beat him grievously, after which he bound him to a tree that was in the house. (203).47. El Melik en Nasir and the three Masters of Police cccxliii. After this, the authorities compounded with the highwayman for his submission, and when he came before them, they enriched him and he became in such favour with the Sultan's deputy that he used to eat and drink with him and there befell familiar converse between them. On this wise they abode a great while, till, one day, the Sultan's deputy made a banquet, and therein, for a wonder, was a roasted francolin, which when the robber saw, he laughed aloud. The deputy was angered against him and said to him, "What is the meaning of thy laughter? Seest thou default [in the entertainment] or dost thou mock at us, of thy lack of breeding?" "Not so, by Allah, O my lord," answered the highwayman. "But I saw yonder francolin and bethought myself thereanent of an extraordinary thing; and it was on this wise. In the days of my youth, I used to stop the way, and one day I fell in with a man, who had with him a pair of saddle-bags and money therein. So I said to him, 'Leave these bags, for I mean to kill thee.' Quoth he, 'Take the fourth part of [that which is in] them and leave [me] the rest.' And I said, 'Needs must I take the whole and slay thee, to boot.' Then said he, 'Take the saddle-bags and let me go my way.' But I answered, 'Needs must I slay thee.' As we were in this contention, he and I, behold, he saw a francolin and turning to it, said, 'Bear witness against him, O francolin, that he slayeth me unjustly and letteth me not go to my children, for all he hath gotten my money.' However, I took no pity on him neither hearkened to that which he said, but slew him and concerned not myself with the francolin's testimony." .? ? ? ? ? Up, to our comrade's convent, that we may visit him And drink of wine more subtle than dust; (115) our trusty fere. ? ? ? ? ? For the uses of food I was fashioned and made; The hands of the noble me wrought and inlaid..Fair patience practise, for thereon still followeth content, iii. 116..The queen drank off her cup and bestowed on Tuhfeh a dress of cloth-of-pearl, fringed with red rubies, worth twenty thousand dinars, and a tray wherein were ten thousand dinars..When Tuhfeh heard this, she gave a great cry, that the folk heard her and Kemeriyeh said, 'Relief is at hand.' Then she looked out to them and called to them, saying, 'O daughters of mine uncle, I am a lonely maid, an exile from folk and country. So, for the love of God the Most High, repeat that song!' So Kemeriyeh repeated it and Tuhfeh swooned away. When she came to herself, she said to Jemreh, 'By the virtue of the Apostle of God (whom may He bless and preserve!) except thou suffer me go down to them and look on them and sit with them awhile, [I swear] I will cast myself down from this palace, for that I am weary of my life and know that I am slain without recourse; wherefore I will slay myself, ere thou pass sentence upon me.' And she was instant with her in asking..To return to his wife and her mother. When the former arose in the morning and her husband returned not to her with break of day, she forebode all manner of calamity and straightway despatched her servants and all who were with her in quest of him; but they happened not on any trace of him neither fell in with aught of his news. So she bethought herself concerning her affair and complained and wept and groaned and sighed and blamed perfidious fortune, bewailing that sorry chance and reciting these verses:.Trust in God, Of, 114..So the prefect carried him up to the Sultan and he said, "I have an advertisement for thee, O my lord." "What is thine advertisement?" asked the Sultan; and the thief said, "I repent and will deliver into thy hand all who are evildoers; and whomsoever I bring not, I will stand in his stead." Quoth the Sultan, "Give him a dress of honour and accept his profession of repentance." So he went down from the presence and returning to his comrades, related to them that which had passed and they confessed his subtlety and gave him that which they had promised him. Then he took the rest of the stolen goods and went up with them to the Sultan. When the latter saw him, he was magnified in his eyes and he commanded that nought should be taken from him. Then, when he went down, [the Sultan's] attention was diverted from him, little by little, till the case was forgotten, and so he saved the booty [for himself]. The folk marvelled at this and the fifteenth officer came forward and said, 'Know that among those who make a trade of knavery are those whom God the Most High taketh on their own evidence against themselves.' 'How so?' asked they; and he said..? ? ? ? ? An thou'dst vouchsafe to favour me,'twould lighten my despair, Though but in dreams thine image 'twere that visited my bed..? ? ? ? ? c.
